

K.R. MANGALAM WORLD SCHOOL BULLETIN MANGALAM MESSENGER

(Bahadurgarh Edition) News From the Nest Issue - 3 | Oct to Dec 2023

FROM PRINCIPAL'S DESK

I am exhilarated to extend my heartfelt congratulations to each one of you for the successful completion of our Annual Sports Day. The day was filled with fervent energy, incredible talent, and unwavering sportsmanship, showcasing the best of what our school stands for.

To our students, your dedication and hard work paid off in the form of outstanding performances on the field. Whether you won medals or not, remember, it's the spirit of participation and giving your best that truly counts. You have all demonstrated exceptional commitment, resilience, and teamwork, qualities that define true champions.

To our dedicated staff, your tireless efforts in organizing, coordinating, and ensuring the day went smoothly did not go unnoticed. Your support and encouragement have been instrumental in making this event a resounding success.

And to our parents, your continuous encouragement and support for our students and the school create the nurturing environment necessary for their growth and success. Your presence during the event added to the joy and spirit of the occasion.

As we reflect on the day's achievements, let's remember the words of the great Olympic runner, Jesse Owens: "The only victory that counts is the one over yourself." This quote reminds us that our biggest challenge is to surpass our own limitations and strive for personal excellence.

Let us carry forward the spirit of Sports Day into every aspect of our lives, constantly pushing ourselves to be better and supporting each other in our journeys. Here's to many more successes and celebrations in the future!

Ms. Arpita Acharya
Principal, KRMWSB

FROM SPORTS DEPARTMENT

The day was filled with remarkable achievements, from breathtaking sprints to awe-inspiring jumps and throws. Our athletes pushed their limits, cheered on by their peers, creating an atmosphere of true sportsmanship and community spirit. Let's continue to inspire each other and strive for excellence in all that we do. Here's to building on this success and looking forward to next year's Sports Day with even greater anticipation!

Mr. Mohit Arya
(HOD, Physical Education)

As we wrap up another exhilarating Sports Day, I'm filled with pride and admiration for the spirit our students have shown. From the starting whistle to the final race, every participant gave their all, supported by the enthusiastic cheers from teammates and spectators alike. The day was a testament to the hard work, dedication, and passion of our

students, who have once again set new standards of excellence.

Mr. Manjeet Sahu
(Football Coach)

Reflecting on our recent Sports Day fills me with immense pride and joy. Fierce competition, and heartwarming teamwork amongst

students was truly inspiring. Each event showcased not just the physical prowess but also the spirit of perseverance, respect, and unity that defines our school community. Our young athletes demonstrated exceptional talent and sportsmanship.

I extend my deepest gratitude to all participants for their dedication. Their collective efforts made Sports Day a resounding success.

Ms. Deepika Sarwan
(Physical Education Teacher)

KRM SPORTS SPECTACLE:

"Within the torch's radiant glow lies the essence of excellence, unity, and unwavering determination, igniting the spirit of every aspiring athlete to soar".

We are thrilled to bring you an exhilarating recap of our Annual Sports Meet held on December 15 and 16, 2024, which witnessed enthusiastic participation from schools across Delhi NCR. The event was a testament to the spirit of healthy competition, camaraderie, and the pursuit of excellence.

The grand event commenced with an awe-inspiring March Past, showcasing the diversity and unity

among participating schools. The rhythmic drum beats and synchronized movements were a visual spectacle, reflecting the

discipline and dedication instilled in our students. Each contingent, adorned in vibrant colors, demonstrated a commitment to excellence, leaving an indelible mark on all spectators.

The Torch Lighting Ceremony

commenced with an air of anticipation as the flame was brought to the arena. Our esteemed Principal of KRMWSB Ms. Arpita Acharya had the honor of lighting the torch, symbolizing the beginning

of a journey filled with challenges, triumphs, and a commitment to sportsmanship.

As the flame flickered to life, it cast a warm glow over the participants, creating a captivating visual spectacle. The symbolism of the torch resonated with the values . The pursuit of excellence, the spirit of competition, and the unyielding flame of determination that burns within each athlete.

RESULT OF SPORTS SPECTACLE (2023-24)

Sport	Category	Competition	Winner	School name
Football	Under-14 Boys	Intense Competition	SDM Public school	SDM Public school
Football	Under-14 Girls	Memorable clash	KRMWSB	KRMWSB
Basketball	Under-14 Boys	Electrifying championship	BRPS	BRPS
Basketball	Under-14 Girls	Thrilling showdown	BOSCO	BOSCO
Badminton	Under-12 Boys	Captivating Spectacle	Riyansh	KRMWSB
Badminton	Under-14 Boys	Remarkable skill and determination	Rudra	BOSCO School

In the realm of interschool sports competitions, the landscape vibrates with the remarkable performances of various schools across disciplines. SDM Public School clinched the

Under-14 Boys Football title with a display of tenacity and skill, while KRMWSB School emerged victorious in the fiercely contested

Under-14 Girls Football category, showcasing exceptional teamwork and dedication. BRPS claimed the crown in the electrifying Under-14 Boys Basketball championship, while BOSCO School triumphed in a thrilling showdown in the Under-14 Girls Basketball clash. In the realm of badminton, KRMWSB School, Bahadurgarh celebrated

Riyansh's victory in the Under-12 Boys category, highlighting their commitment to nurturing talent and fostering excellence. Meanwhile, Bosco School's Rudra dominated the Under-14 Boys Badminton competition with outstanding prowess. Amidst these outstanding performances, it's noteworthy that KR Mangalam School secured the

coveted overall trophy, a testament to their comprehensive excellence across multiple sports disciplines, underscoring their commitment to holistic development and sporting prowess.

INTERVIEW WITH OLYMPIAN AND COMMONWEALTH CHAMPION, MR. PARVEEN RANA

Our recent Inter-school sports event reached new heights as **Head Boy Parikshit** and **Head Girl Aditi** had

the privilege of sitting down with the extraordinary Olympian and **Commonwealth Champion, Mr. Parveen Rana**. The interview was a journey through the peaks and valleys of a champion's life, offering profound insights and inspiration. Mr. Parveen Rana took our students on a journey through the chapters of his life, sharing personal anecdotes that defined his path to becoming an Olympian and Champion. From the early days filled with dreams to the challenges that shaped him, every revelation was a glimpse into the making of a true sports icon. Our Head boy and Head girl, brimming with curiosity, posed a myriad of questions to **Mr. Rana**, ranging from his training routines to the mindset that sustains him during competitions. His willingness to address each inquiry created an atmosphere of genuine learning, providing valuable insights for budding athletes and enthusiasts alike.

Q. "Reflecting on your career, which victory stands out as the most memorable, shaping your journey?"

Parveen Rana: "The Commonwealth Games triumph holds a special place in my heart. It was a culmination of years of hard work and dedication, representing not just me but the spirit of our nation."

Q. "Athletes often face challenges. Can you share a significant hurdle you encountered and how you

overcame it?"

Parveen Rana: "Injuries have been a tough adversary. Patience, rehabilitation, and a positive mindset helped me navigate these challenges. Every setback was a lesson, making me stronger."

Q. "For the young athletes at K.R Mangalam World School, what advice would you offer as they embark on their own sporting journeys?"

Parveen Rana: "Dream big, work hard, and never underestimate the power of consistency. Embrace failures, learn from them, and let your passion fuel your journey."

As the interview unfolded, Mr. Rana's words became a wellspring of inspiration for our students. His advice to dream big, work hard, and embrace failures as lessons resonated deeply, leaving an enduring impact on those eager to embark on their own journeys in the world of sports. We extend our heartfelt gratitude to Mr. Parveen Rana for graciously sharing his time, experiences, and wisdom with our students. His openness and candour added a layer of authenticity to the interview, making it an invaluable experience for everyone involved. This interview marks the beginning of an exciting series where we bring achievers and role models closer to our students. Stay tuned for more enriching conversations that aim to inspire, educate, and ignite the

spark of greatness within our school community.

STATE CHAMPIONSHIP

Exceptional talents shone brightly at the SPDPA State Championship in Haryana, where KRMWSB emerged as triumphant champions. Swastik showcased unparalleled speed, securing triple gold in sprinting. Parikshit and Vansh demonstrated flawless teamwork, clinching gold in doubles badminton. Aishvee's blazing speed earned her gold in the 100m sprint, while Aryan contributed with silver and bronze in sprints. Daksh's mastery in Yoga resulted in a well-deserved gold medal. Ms. Arpita Acharya expressed immense pride in their achievements, emphasizing KRMWSB's commitment to sportsmanship. Their success at the state level positions them as formidable contenders on the national stage. The entire school community jubilantly celebrates their hard-earned victories and enduring spirit of sportsmanship.

GRAND-PARENT'S DAY

"In the heart of our school, the echoes of laughter and wisdom intertwined as we celebrated Grandparents' Day. It was a timeless celebration where the pages of history meet the vibrant energy of the present, creating a beautiful chapter of love, stories, and cherished moments with our beloved grandparents."

We are delighted to share the heartwarming memories and joyous moments from our Grandparents'

Day celebration at KRMWSB. It was a day filled with love, laughter, and an abundance of affection as we came together to honor the special place grandparents hold in our lives. Grandparents, the pillars of love and wisdom, was the heart of our celebration. As we celebrated the presence of Dada-Dadis and Nana-Nanis. The day unfolded with dance, music, fun, and joy as our tiny tots took the stage, mesmerizing everyone with their enchanting performances dedicated to their dear grandparents. The love and effort poured into each dance step and musical note were truly heart-touching. The enthralling participation by all the Dada - Dadi's and the Nana - Nani's of our little ones added an extra layer of enthusiasm to the celebration. The joyous atmosphere was a testament to the strong bonds that transcend

generations. As the day progressed, everyone indulged in dancing, singing, playing, and spending quality time with each other. It was a day filled with beautiful emotions, laughter echoing through the corridors, and the joy of creating cherished memories. Our little performers, with twinkle-eyed enthusiasm, mesmerized everyone

with special acts dedicated to their dear grandparents. From dance performances to heartfelt songs, each presentation reflected the love and admiration our tiny tots hold for their beloved grandmas and grandpas. The celebration was not just about the grandeur of the event; it was about expressing gratitude. Our little ones conveyed their appreciation through heartfelt gestures, making each grandparent

feel truly cherished and special. A heartfelt thank you to all the grandparents who graced the occasion with their presence, adding a touch of wisdom and love to our school community. Your presence made the day truly special. As we reflect on this wonderful celebration, let us carry the spirit of love and gratitude forward, cherishing the special moments shared with our grandparents.

EDUCATION EXCELLENCE AWARD

"Education is not just about imparting knowledge; it's about igniting minds and shaping futures. Honoring Ms. Arpita Acharya for her dedication to excellence in education is celebrating the beacon of inspiration she is to our learning community."

In a celebration of educational leadership and excellence, Ms. Arpita Acharya, the esteemed Principal of K R Mangalam World School, Bahadurgarh, received the prestigious Education Excellence Award at the Education Excellence Summit 2023. The grand event took

place at The Park Queen Hotels & Resorts in Rohtak and was graced by the presence of notable dignitaries, including Mr. Kawar Pal, Honorable Education Minister, Government of Haryana, and Mr. Manish Grover, Honorable Vice President, BJP Haryana. The Education Excellence Award recognizes Ms. Arpita Acharya's outstanding contributions to the field of education, acknowledging her leadership, vision, and commitment to providing quality education at K R Mangalam World School. The award ceremony highlighted her relentless efforts in shaping the educational landscape and fostering an environment where students thrive academically and personally. The award serves as a beacon for K R Mangalam World School, highlighting its commitment to providing an exceptional and holistic education. The school community takes pride in Ms. Arpita Acharya's accomplishment, considering it a reflection of the institution's unwavering dedication to educational excellence. As K R Mangalam World School celebrates this moment of triumph, it looks forward to continuing its legacy of providing quality education

and shaping the future leaders of tomorrow. The Education Excellence Award serves as an inspiration for the entire school community to strive for continuous improvement and innovation in the field of education.

KR MANGALAM WORLD SCHOOL PRINCIPAL HONORED FOR FOSTERING INNOVATIVE LEARNING.

In a proud moment for KR Mangalam World School, Bahadurgarh, three young prodigies have secured a coveted spot on the grand stage of India's largest techfest at IIT Bombay. Jay Aaditya from grade 7, and Aditi and Parikshit from grade 8, showcased their exceptional skills and knowledge, earning their place at the prestigious event.

Having excelled at the zonal level at Our Lady of Fatima Convent School, Gurugram, these students emerged as top performers at the IIT-Bombay finale.

Their outstanding achievement was not only a personal triumph but also reflected positively on their school. KR Mangalam World School was recognized as a creative and innovative institution, with Principal Ms. Arpita Acharya receiving a well-deserved award for fostering such a conducive learning environment.

The school's mentor for these talented students, Ms. Shikha Aggarwal, was also acknowledged for her innovative teaching methods, receiving a certificate of appreciation. The Management and Principal Ms. Arpita Acharya extended their heartfelt congratulations to the students and their mentor for bringing laurels to the school. This recognition not only highlights the academic excellence

of the students but also underscores the commitment of KR Mangalam World School to nurturing creativity and innovation in its students.

The school's mentor for these talented students, Ms. Shikha Aggarwal, was also acknowledged for her innovative teaching methods, receiving a certificate of appreciation. The Management and Principal Ms. Arpita Acharya extended their heartfelt congratulations to the students and their mentor for bringing laurels to the school. This recognition not only highlights the academic excellence of the students but also underscores the commitment of KR Mangalam World School to nurturing creativity and innovation in its students.

EXPERIENTIAL LEARNING

In a pioneering move towards

revolutionizing education, KRMWSB School has introduced an interactive floor, propelling learning into a new era. The interactive floor, adorned with vibrant visuals and dynamic content, has redefined the traditional

classroom experience. Students are now immersed in a world of interactive activities that go beyond textbooks, making the learning process both enjoyable and effective. The impact of the interactive floor is evident in the heightened levels of student engagement and participation. Lessons are no longer confined to the static boundaries of a blackboard; instead, they come to life with interactive simulations, visually appealing graphics, and immersive learning experiences. This approach not only caters to diverse learning styles but also ensures that students comprehend complex concepts with greater ease. Students are not just learning; they are actively participating, interacting, and absorbing information in a way

that traditional methods simply cannot achieve. It has rekindled a spark for curiosity and exploration. "The interactive floor technology has also proven to be an effective tool for collaborative learning. Students work together on interactive projects, fostering teamwork and communication skills. The dynamic nature of technology encourages peer-to-peer interaction, creating an inclusive and engaging learning environment." As KRM Bahadurgarh School pioneers this transformative educational approach, it sets the stage for a future where technology and traditional teaching methods seamlessly converge, creating an educational landscape that inspires, engages, and prepares students for success in the 21st century.

READING COMPETITION

"Unlocking the power of words, the Inter-Class Reading Competition was not just about celebrating literary excellence but illuminating the diverse tapestry of talents across grades. Each reader became a storyteller, weaving narratives that echoed the joy of reading and highlighted the collective enthusiasm for literature within our school community."

We are delighted to share the exciting outcomes of the recent Inter-Class Reading Competition, where our students showcased literary brilliance that spanned across various grades. The competition was a celebration of the joy of reading, and it brought to light the vibrant enthusiasm for literature among students at different grade levels. In the spirit of literary exploration, students from every grade participated in the

Inter-Class Reading Competition, revealing an impressive array of talents. The competition served as a platform for our young readers to demonstrate their love for literature and storytelling. Jayaaditya Khera emerged as the literary champion, dominating the 7th and 8th-grade category. His exceptional reading skills captivated the audience and showcased a deep appreciation for literature. Navika stood out in the 5th and 6th-grade category, displaying a commendable grasp of literary nuances. Her passion for reading and storytelling shone brightly, earning her well-deserved recognition. Agrish's reading prowess was on full display in the 3rd and 4th-grade category. His ability to engage the audience and convey the essence of the written word marked a stellar performance. Anant emerged

triumphant in the 1st and 2nd-grade category, captivating everyone with his charming storytelling. His reading skills reflected a promising journey into the world of literature. Beyond individual performances, the Inter-Class Reading Competition highlighted the vibrant enthusiasm for literature among our students. The event served as a reminder that literature is a shared passion that unites us, regardless of age or grade. We extend our heartfelt congratulations to all the participants and winners of the Inter-Class Reading Competition. Your love for reading enriches our school community, and we look forward to more such literary celebrations in the future.

STUDENTS' ACHIEVEMENTS

• Top Performers of School Olympiad and science

"In the symphony of words, our students have orchestrated a masterpiece. Their extraordinary achievements in the English and Science Olympiad are not just victories; they are the harmonious echoes of dedication, brilliance, and the pursuit of linguistic excellence, resonating proudly within the corridors of KRMWSB!"

We are elated to share the outstanding news of our young prodigies excelling in the English and Science Olympiad! In a resounding triumph, our students have not only shone at the school level but have also made their mark on the international stage. We are immensely proud to announce that Agrish, a bright student from Grade 3, has secured the first position in the school English Olympiad. What makes his achievement even more remarkable is his stellar international

rank of 8th! Agrish's exceptional linguistic prowess has earned him a distinction medal, and he has successfully qualified for the second level of the English Olympiad.

DOUBLE TRIUMPH: PARTH DAHIYA SHINES BRIGHT IN ENGLISH AND SCIENCE OLYMPIADS!

Parth Dahiya from Grade 5, who has not only clinched the first position in the school-level English Olympiad but has also emerged victorious in the Science Olympiad, securing a gold medal in both domains. Parth Dahiya's exceptional performance in both the English and Science Olympiads is a testament to his versatility, intellectual prowess, and the well-rounded education provided at KRMWSB. This double triumph not only showcases Parth's individual brilliance but also underscores the school's commitment to nurturing excellence across diverse disciplines. As we bask in the glory of Parth's dual triumph, we eagerly anticipate more moments of triumph and excellence from our students. Stay tuned for updates on the remarkable achievements of our talented scholars at KRMWSB.

AGRISH GAINS BRIBOOKS' SPOTLIGHT FOR STORY-TELLING

Agrish, the remarkable third-grade author who enchanted readers with 'Trip to Wonderland' on BriBooks. His exceptional creativity at such a young age is awe-inspiring, setting a promising literary future. Agrish's exploration of dreamworld is an inspiration to children, showcasing their remarkable potential in literature from a tender age.

EXTEMPORE

In the vibrant halls of Grade 8, an exciting and intellectually stimulating activity took center stage - the art of extempore speaking. This engaging exercise invited students to speak on various topics without prior preparation, fostering spontaneity, critical thinking, and rapid organization of thoughts. The extempore sessions proved to be a remarkable platform for honing students' spontaneous speaking skills. Encouraged to think on their feet, our students embraced the challenge with enthusiasm, showcasing their ability to articulate their thoughts eloquently on diverse topics. This exercise not only nurtured their ability to communicate effectively but also enhanced their confidence in expressing themselves spontaneously. Beyond enhancing their communication abilities, the extempore activities in Grade 8 classrooms served as fertile ground for the development of critical thinking. Students were prompted to analyze, evaluate, and synthesize information swiftly, fostering a deeper understanding of various issues and refining their analytical prowess. Furthermore, the exercise facilitated a supportive learning environment where students learned from each other's ideas, perspectives, and presentation styles. As a result, we witnessed a remarkable growth in our students' confidence, clarity of thought, and articulation skills.

OUTING ODYSSEY: "AN EXCITING AND MEMORABLE JOURNEY DURING OUR SCHOOL'S TRIPS."

• Visit to Zoo

The toddlers' zoo adventure overflowed with laughter, excitement, and wonder as they explored the enchanting world of wildlife. It was a meticulously

planned educational trip, extending their classroom learning. From lions to monkeys, they marveled at the diverse creatures, turning each enclosure into a classroom

without walls. With eager curiosity, they observed and interacted with

• Industry Visit

On December 7, 2023, K.R. Mangalam World School students embarked on an enlightening trip to Somany Tiles Industries in Kassar, Bahadurgarh. It wasn't just a tour but an immersive experience into tile manufacturing. Amidst machinery hums and innovation aromas, students witnessed intricate processes, bridging classroom theories with practical applications. This firsthand

exposure sparked curiosity and passion, nurturing future innovators. We believe in education beyond textbooks, fostering thinkers who embody 'Make' ethos. At K.R. Mangalam World School, we're committed to holistic education, encouraging exploration and innovation. Here's to more journeys igniting the passion for learning.

the animals, their faces reflecting amazement and delight. Teachers guided them, enriching their understanding of habitats and behaviors. The visit sparked curiosity, filling the air with gasps, giggles, and questions. It was an invaluable out-of-classroom experience, reinforcing their learning in a fun and engaging way.

• Visit to National Science Exhibition: "A Journey into Innovation"

The exhibition showcased a diverse range of scientific projects, inspiring students with innovative solutions and futuristic prototypes. It aimed to inform and motivate the next generation of scientists and innovators. Students witnessed peers pushing boundaries and

• Kidzania

We're thrilled to share the highlights of KRM Bahadurgarh students'

remarkable journey to KidZania, where education turns into hands-on adventure! They explored various professions, understanding practical aspects beyond classrooms, sparking curiosity and insights. Navigating the miniature city, students discovered, expanded horizons, and engaged in interactive activities, making learning enjoyable. KidZania's innovative education through play resonated with our students, encouraging enthusiasm and creativity. We anticipate more experiential learning opportunities to inspire lifelong exploration and discovery.

left with newfound enthusiasm for science. The event highlighted real-world impacts and encouraged students to explore diverse possibilities within the field. As they return to class, INSPIRE's echoes will fuel their future scientific endeavors, fostering exploration and curiosity at KRMWSB.

• Jim Corbett

We recently embarked on an unforgettable school trip to Jim Corbett National Park, where warm welcomes, enthralling jungle safaris, and cultural exploration awaited us. Guided by seasoned naturalists, our students delved into the park's biodiversity during thrilling jungle safaris, fostering a deeper understanding of conservation.

DANDIYA NIGHT:-

Dandiya Night Extravaganza at KRMWSB, A Cultural Fiesta Open to All!

"Dandiya Nights at school are not just events; they are a vibrant tapestry of culture, where every twirl ignites unity, and every beat of the drum echoes the heartbeat of our traditions. It's where laughter mingles with the rhythm of clashing sticks, and friendships are deepened under the canopy of glittering lights. A celebration where education transcends the classroom, teaching us the beauty of our heritage and the joy of togetherness."

We are thrilled to share the highlights and successes of our recent cultural gala, the Dandiya Night, held at KRMWSB on October 21, 2023. This vibrant event not only showcased the rich traditions of the Navratri festival but also fostered a sense of community by welcoming not just our students and staff but also friends, family, and outsiders to join in the festivities.

The evening kicked off with the

Exploring Girija Devi Temple provided insights into India's cultural heritage, while our visit to the Akshaypatra Foundation instilled a sense of social responsibility. This enriching journey ignited discovery, cultural appreciation, and community engagement among our students.

rhythmic beats of traditional dandiya music, inviting everyone to the dance floor. Dressed in colourful attire, participants, ranging from our youngest kindergarteners to the most senior members of our community, swayed and twirled, their dandiya sticks clashing in harmony. It was a sight to behold as the school ground transformed into a whirlpool of colours, laughter, and energy.

Adding to the night's excitement was the fair, meticulously organized on the school premises. Booths adorned with lights and festive decorations offered a variety of games and activities. From ring toss to balloon shooting, there was something for everyone. The excitement was palpable as participants, young and old, tried their luck and skill, winning prizes and sharing joyful moments. One of the most heartwarming aspects of the evening was the coming together of individuals from various backgrounds to celebrate and participate in a tradition that may have been new to many. The inclusivity and warmth displayed by our school community towards all guests were a true reflection of the spirit of unity and celebration that Dandiya Night embodies. As we look back on this splendid evening of dance, fare, and togetherness, we are reminded of the strength and beauty of our community. Dandiya Night was not just an event but a celebration of culture, diversity, and unity. We eagerly await the opportunity to host more such events that bring us together, celebrating the rich tapestry of traditions that enrich our lives.

CYBER AWARENESS MONTH

• Oration on cyber awareness by cyber mentor "Satvik"

As Cyber Awareness Month ended, we celebrated a month-long initiative that culminated in a profound understanding of the importance of digital vigilance and cybersecurity. Under the guiding light of Principal Ma'am, our school delved into the depths of cyber awareness, highlighting its critical significance in today's interconnected world. The pinnacle of this enlightening month was Principal Mam's impactful address, emphasizing the paramount importance of digital vigilance in our daily lives. Her address underscored the responsibility we all carry in safeguarding our digital spaces.

Commendation was also extended to our Cyber Mentor, Satvik, whose insightful speech followed by the pledge resonated deeply, urging for a collective effort in fortifying our digital defenses. Let us carry forward the pledge and continue fostering a culture of being digital responsible:

I Pledge

1. To never share passwords with anyone and to use strong separate passwords for all accounts.
2. To never download a file or software online from unauthorised sources.
3. To use an antivirus program and

• Cyber awareness workshop

KRMWSB recently organized a Cybersecurity Workshop for Grades VI-VIII, aiming to enhance students' digital resilience. The workshop covered online safety, privacy settings, and recognizing cyber threats. Led by Ms. Mamta Dahiya, the workshop saw active participation, highlighting students' awareness of online security. This initiative reflects KRMWSB's commitment to holistic education. In another enriching experience, students explored scientific innovation at the National Level Exhibition and Competition under INSPIRE, gaining insights into cutting-edge advancements in science and technology.

keep my devices secure from any security risks.

4. To pause and think about possible cyber risks before I click on unknown links and attachments.
5. To lock my phone, computer, laptop, and other devices when left unattended.
6. To never post personal, sensitive, or non-public information on social media.
7. To be wary of the people I talk to on social media as not everyone is who they say they are on the internet.
8. To never participate in cyber bullying activities.
9. To not believe in everything I read online as "Fake news" is common on the internet, and refrain from resharing the false information.
10. To raise awareness of good internet practices among my family, friends, colleagues, and society.

• Essential Laws of Cybersecurity: Safeguarding Our Digital World Dear KRMWSB Community,

In our digital age, the internet has become an integral part of our lives, offering opportunities for learning, connection, and entertainment. However, alongside its myriad benefits, the online world also poses risks, especially concerning cybercrime. Cybercrime encompasses unlawful acts where computers are either tools or targets. It spans traditional criminal activities like theft, fraud, forgery, defamation, and mischief. The Information Technology Act, 2000, instituted by the Indian government, addresses these offenses while introducing measures to protect internet users and safeguard cyberspace.

TOUCH-TYPING COMPETITION

In today's era, the importance of learning IT skills cannot be denied. To keep things interesting, various activities were conducted, teaching students new skills to develop their primary computing skills. Students learned touch typing, enabling them to increase text production speed with accuracy, all while keeping this in mind, the school encouraged touch typing and organized a competition from Grade VI to VIII to promote it. In the thrilling conclusion

of the Touch Typing Championship, Anshuman from grade 8 emerged as the undisputed champion, showcasing an impressive typing speed of 41 words per minute. Hot on his heels, Ronit, also from grade 8, secured the second position with an impressive speed of 40 words per minute. Not far behind, Swastik claimed the third spot, typing at a

commendable speed of 31 words per minute. Congratulations to all the winners for their exceptional skills and dedication in mastering the art of touch typing!

ALL INDIA SHOOTING, VOLLEYBALL CHAMPIONSHIP

"Precision, focus, and teamwork pave the path to victory. Deepika Sarwan's leadership shines bright as she guides the team to triumph in the India Shooting Volleyball Championship, exemplifying the power of dedication and collaboration."

In a dazzling display of precision, agility, and teamwork, Our Sports teacher Deepika Sarwan led her team to a resounding victory at the India Shooting Volleyball Championship held in Jaunpur, Uttar Pradesh, from October 14 to 15, 2023. Deepika Sarwan, known for her exceptional coaching abilities, played a pivotal role in shaping the team's strategy and fostering an environment of dedication and commitment. The two-day competition was a thrilling showcase of athleticism, with teams vying for supremacy. Deepika Sarwan's leadership shone brightly as her team displayed unparalleled precision, showcasing their shooting and volleyball skills in perfect harmony. The players' dedication to their craft, combined with coach's prowess, culminated in a spectacular performance that left spectators in awe. The victory not only brought glory to the school but also ignited a sense of pride within the local community. The India Shooting Volleyball Championship

was not just a competition; it was a testament to the power of sports to unite individuals and communities. The success of Deepika Sarwan and her team will undoubtedly be remembered as a milestone in the school's sports history, setting a high standard for future endeavors. As the celebrations ensue and the championship trophy gleams in the school's display case, the legacy of this victory will continue to inspire aspiring athletes and serve as a reminder that with the right leadership, teamwork, and dedication, success is not only achievable but also profoundly rewarding. Congratulations to Deepika Sarwan and her triumphant team for this unforgettable and well-deserved victory.

WORKSHOPS

• Puberty and Hygiene

K.R. Mangalam Bahadurgarh has launched an innovative Health and Wellness Program, targeting students in grades 5 to 8 with a focus on navigating puberty and promoting hygiene. This initiative, led by skilled educators and healthcare professionals, encourages open dialogue about the physical and emotional transformations during adolescence. It also includes practical hygiene education, from handwashing techniques to dental care, aiming to instill lifelong health habits. This program not only educates but also nurtures emotional resilience, ensuring students are well-equipped to handle life's challenges, embodying the school's commitment to holistic development and well-being.

• Basic life support

K.R. Mangalam Bahadurgarh proudly conducted a Basic Life Support (BLS) Workshop, enhancing our Health and Wellness Program's scope by training our support staff in life-saving skills. This initiative, focusing on first aid, CPR, and emergency response, reflects our holistic education approach and commitment to community safety. Through hands-on training led by professionals, our staff learned to manage emergencies with composure and efficiency. This workshop underscores our dedication to fostering a prepared

and empathetic school environment, ensuring every community member contributes to a safe, supportive atmosphere.

• Bloom's Taxonomy

Ms. Priti Chaudhary, a seasoned Social Science teacher at KRMWSB, spearheaded a groundbreaking workshop aimed at incorporating artificial intelligence (AI) into educational practices, with a focus on Bloom's Taxonomy. The workshop introduced innovative ways to use AI, specifically the advanced capabilities of ChatGPT 4 by OpenAI, to enrich teaching methodologies and elevate the learning experience. It delved into how AI tools can support

educators in fostering critical thinking and deeper understanding among students. Highlighting the symbiotic relationship between technology and traditional teaching, the session encouraged embracing AI to create more engaging and effective educational environments. The lively discussion concluded with teachers sharing insights on integrating AI into various subjects, marking a step forward in the evolution of education.

RUN FOR UNITY

Celebrating Sardar Vallabhbhai Patel's Anniversary with a 'Run for Unity'

"On the anniversary of Sardar Vallabhbhai Patel, our school unites in a 'Run for Unity,' where every step honours the Iron Man's legacy. In the collective heartbeat of the run, we celebrate not just a historical figure, but the spirit of togetherness, strength, and a nation bound by the threads of unity."

We are delighted to share the heartwarming success of our 'Run for

Unity' held on the occasion of Sardar Vallabhbhai Patel's anniversary. The school grounds resonated with the rhythmic beats of unity as students, teachers, and staff came together to honour the legacy of the Iron Man of India. The track

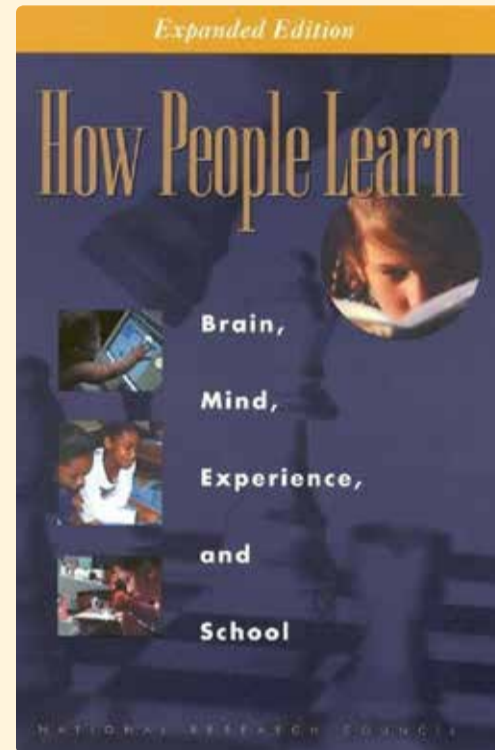

witnessed a sea of unity as everyone, from the youngest students to the seasoned faculty, laced up their running shoes to participate in this collective endeavour. The 'Run for Unity' was not just a physical activity; it was a powerful symbol of solidarity, where every stride echoed the spirit of togetherness that Sardar Patel championed. As participants traversed the track, they were not merely running; they were carrying forward the legacy of Sardar Vallabhbhai Patel. His vision of a united India was palpable in every step, turning the 'Run for Unity' into a living tribute to the Iron Man's contributions to our nation. The run fostered a sense of community bonding, transcending age and role boundaries. Students ran alongside teachers, and staff members joined the energetic procession, creating an atmosphere of camaraderie that extended beyond the track. The 'Run for Unity' wasn't just a physical activity; it held educational significance, providing an opportunity for students to learn about the history and values that Sardar Patel stood for. The event served as a valuable lesson in unity, leadership, and the power of collective action. As we conclude this memorable 'Run for Unity,' let us carry the spirit of togetherness forward in our daily lives, embodying the ideals of Sardar Vallabhbhai Patel. May the unity that echoed on the track become a guiding force for our school community.

BOOK REVIEW:- "HOW PEOPLE LEARN LEARN"

"How People Learn: Brain, Mind, Experience, and School," produced by the National Research Council's Committee on Developments in the Science of Learning, bridges the gap between new learning and brain development research and its practical application in education. This influential series, initiated in 1999 and including works on teaching history, mathematics, and science, has become crucial for educators, especially in enhancing understanding of gifted education. With contributions from distinguished scholars like John Bransford, Ann Brown, Rodney Cocking, and others, it emphasizes the critical impact of early experiences on development and cautions against hastily adopting educational trends without solid scientific backing.

The compilation underscores the

importance of addressing students' preconceptions for meaningful learning, establishing a deep foundation of factual knowledge within conceptual frameworks, and fostering metacognitive strategies for self-directed learning. These insights are pivotal for developing competence and critical thinking in students.

Highlighting a multidisciplinary approach that includes developmental psychology, cognitive psychology, neuroscience, and educational psychology, the book advocates for a nuanced application of learning sciences in classroom settings. It challenges traditional teaching methods, offering practical recommendations for engaging students and promoting lifelong learning skills. The authors call for ongoing research and collaborative efforts to refine educational practices, ensuring they are grounded in empirical evidence and contribute effectively to student learning.

DIWALI CELEBRATION

As pollution levels soared, presenting health concerns for the junior members of KRMWSB, the school adopted an innovative approach to ensure the safety of its students. Junior students, confined to their homes, embarked on a unique virtual Diwali celebration, blending tradition with technology to bring the festive spirit to every household. Virtual classrooms transformed into spaces of festivity, with engaging activities, interactive storytelling sessions, and digital art workshops capturing the attention of junior students. The online platform allowed even the little learners to participate actively in the festive spirit. The virtual assembly featured thought-provoking discussions on the cultural and spiritual significance of Diwali, encouraging them to reflect on the festival's values of unity and compassion. The event aimed to create a sense of togetherness and shared experiences among students in higher grades. In a bid to infuse

an element of friendly competition, an inter-house rangoli competition unfolded, pitting the creativity of different houses. Each house brought forth its unique interpretation of Diwali, transforming the school into a canvas of vibrant artistry. The school grounds were transformed into a kaleidoscope of colors as students showcased their artistic flair. The intricate designs, inspired by traditional motifs and themes, adorned walkways, and courtyards, creating a visually stunning tapestry that reflected the creativity and enthusiasm of the participants. Our little, tiny tots proved their mettle with a showcase of beautifully crafted artworks. From traditional divas to intricate paper lanterns, students exhibited a wide array of handmade creations that added a personalized touch to the festive atmosphere. The craft exhibition was a testament to the dedication and creativity of the school's budding artists. Into their creations. The competitions not only provided a platform for students to showcase their talents but also fostered a healthy spirit of competition and collaboration. The Diwali celebrations at our school stand as a shining example of how educational institutions can provide students with not just academic knowledge but also opportunities to celebrate and appreciate the rich cultural mosaic that surrounds them.

CHILDREN'S DAY CELEBRATION

With great festive fervor, to commemorate the 130th birth anniversary of Pandit Jawaharlal Nehru. The programme began with a special assembly conducted by the teachers, followed by informative and inspirational speeches by the principal ma'am about the great leader, thinker, visionary and a true statesman – Pandit Jawaharlal Nehru. The first Prime Minister of independent India was extremely fond of children and the programme clearly depicted the spirit of the occasion with teachers holding the stage and putting up a mesmerizing

special assembly for the children. The following special assembly had a series of interesting and exciting events, all planned meticulously for complete entertainment. Teachers enthralled the children with their energetic and graceful moves with their traditional dance. Students pulsated with excitement when their teachers presented a dance. The celebratory mood continued with an invigorating and foot-tapping 'Bhangra' by teachers. Students were elated to see their teachers performing and celebrating the day with zeal and enthusiasm the Principal, MS. Arpita Acharya, in her address encouraged students to dream big and work hard. She also appreciated the teachers for their lively performance. She compared the children to beautiful blossoms and motivated them to spread their fragrance everywhere. Children's Day was marked with grand splendour and fiesta as the school campus

buzzed with excitement and joy as it was a day wherein fun, and frolic dominated. The school treated the children to delicious treats, including candies, chocolates and children relished their favourite food with classmates. Various activities were organised for the children of all classes such as art competitions and a cricket match between the students and the teachers. Students greatly enjoyed playing and winning against their mentors. It was a day full of joy and laughter for the students.

KLIP VR: "DIGITAL EXPERIENCE"

Embracing the future of education, K.R. Mangalam Bahadurgarh recently played host to an immersive and innovative learning experience with Klip VR, a cutting-edge virtual reality (VR) program. Klip VR provides students with a virtual ticket to the moon, allowing them to

explore the lunar surface, craters, and geological features in a way that textbooks cannot capture. The enthusiasm among students was palpable

as they donned VR headsets, eagerly delving into the virtual worlds created by Klip VR. Teachers noted a heightened level of engagement and participation, with students actively discussing and collaborating on the virtual tasks presented to them. Through Klip VR, students are embarking on immersive lunar expeditions, guided by Chandrayaan's discoveries. The virtual reality experience allows them to walk on the moon, inspect lunar rocks, and witness the breathtaking, understanding the moon's topography, and exploring the historical aspects of lunar missions. Earthrise from a perspective only an astronaut would typically enjoy.

SPECIAL ASSEMBLY

• World Soil Day

On World Soil Day, Class 7 organized a compelling assembly highlighting soil conservation's critical importance. Beginning with a serene prayer, it featured a 'Thought of the Day' on responsible resource preservation. Aaryansh's insightful speech emphasized soil's

pivotal role in our ecosystem and the urgency of its protection. The musical program showcased soil's significance through melodious

tunes. A dance and skit illustrated soil degradation's consequences, urging stewardship. The assembly underscored students' commitment to environmental sustainability and inspired change through education and creativity.

ACTIVITY CORNER

"Embarking on a journey fueled by curiosity, our pre-primary adventurers have painted the canvas of early education with giggles, shared stories, and tiny triumphs."

In the lively world of Nursery, Orange Colour Day recently transformed the campus into a kaleidoscope of laughter and tangerine dreams. Little fashionistas stole the spotlight, adorning themselves in delightful shades of orange, turning corridors into runways of creativity. Craft activities and refreshing orange juice added a burst of citrusy joy, making this celebration more than just a color day.

The enchantment continued as Blue Colour Day unfolded in Nursery, with classrooms becoming seas of creativity. From crafting majestic blue whales to engaging in the Blue Colour Chair Game, students embraced the magic of early learning through engaging activities, enhancing color recognition and camaraderie.

In the sandbox of creativity, Nursery stars traced English alphabets in the Sands of Fun. The joyous escapades turned ordinary sand into a canvas of learning and laughter, where each stroke became a moment of discovery. This interactive approach fostered a love for alphabets in a

creative and relaxed setting.

Adding a touch of whimsy, the 'Thick and Thin' activity became a magical dance of exploration in Nursery. Students curated their own little worlds, sorting objects based on thickness, turning this artistic exploration into a tactile and engaging experience. The room buzzed with excitement, celebrating not only artistic expression but also cognitive development.

Transitioning to Kindergarten, our little sculptors embraced a clay

molding extravaganza, bringing the animal kingdom to life. Classrooms transformed into bustling studios, echoing with laughter and

enthusiasm as tiny hands molded shapeless clay into adorable animal masterpieces.

Showcasing their love for animals, Grade 1 students stole the spotlight in a spectacular Show and Tell activity. The classrooms transformed into a zoo of enthusiasm and knowledge, with each student passionately sharing insights about their favorite creatures. The activity not only encouraged self-expression but

also contributed to a dynamic and diverse presentation atmosphere.

Moreover, Grade 1 Spell Bee participants showcased linguistic brilliance, turning each letter into a stepping stone on the path to language exploration. The activity not only focused on spelling accuracy but also highlighted the growing confidence of our young wordsmiths.

Finally, our Halloween Spectacular in the pre-primary wing was a howling success, weaving laughter, frights, and endless delights into a tapestry of enchantment. The magical realm of spookiness and delight created lasting memories for our little ones, showcasing the dedication of our teachers and staff.

These pre-primary adventures, filled with creativity, laughter, and exploration, not only make learning a joyous journey but also contribute to the holistic development of our bright stars. Stay tuned for more magical moments at our Pre-Primary Adventure Corner!
